COCKTAILS

25

Bellini

This Italian classic first created in Venice is sophisticated, easy drinking at its best. Made with Peach Schnapps and peach puree and topped with sparkling wine. It is as delicious at all times of the day, whether that be with Morning tea or as an aperitif with lunch.

Caribbean Punch

Summer is almost here and what can be better than enjoying this fruity concoction whilst gazing out into Sydney's beautiful harbor, combining Malibu with pineapple juice and a dash of coconut cream, all you need to do is close your eyes and you'll be instantly transported to a Caribbean island.

Cosmopolitan

Every good cocktail list needs a retro classic and this is ours – The Cosmopolitan. Vodka is shaken with Cointreau, cranberry juice and fresh lime to create this fun, pink treat.

Espresso Martini

Espresso Martinis combine two great things in life: strong coffee and alcohol. A sumptuous mix of Vodka, Kahlua and chilled espresso coffee is shaken together to create a frothy mix that is bittersweet and totally addictive!

Pimm's Twist

This quintessential British drink was first created in 1859 by James Pimm. It was first served in Pimm's oyster bar in London and has since gone on to become one of Summers most thirst quenching cocktails! We have added Gordons Gin to this old classic. Topped off with a splash of dry ginger and lemonade. Finished with fresh mint, crisp cucumber and an array of fruit, it really is Summer in a glass.

Margarita

Our Margarita is fresh and crisp and has the perfect balance of both sweet and sour that makes you want to taste it again and again. Served in a salt rimmed glass, tequila, triple sec and freshly squeezed lime juice, shaken over ice to produce this refreshing drink that you won't want to put down.
